DISSEMINATION BY THE LIVINGSTON GROUP, LLC

FARA registration #6344

Today is International Religious Freedom Day!

Secretary Pompeo issued a statement noting that “twenty-two years ago today, the United States enacted the 1998 International Religious Freedom Act, reaffirming our commitment to promote and defend the fundamental right to religious freedom for all people everywhere.” See link: <https://www.state.gov/international-religious-freedom-day-4/>.

DISSEMINATION BY THE LIVINGSTON GROUP, LLC

FARA registration #6344

The members of San Francisco Zion Church would like to express appreciation towards the South Korean government and its related authorities for their diligent work to speedily enact COVID-19 prevention and safety protocols, to protect the citizens of South Korea and globally, including members of Shincheonji, and to communicate with church members on the best routes of disease control and prevention.

The San Francisco Zion Church would also like to thank the Korea Disease Control and Prevention Agency (KDCA) for their great work on utilizing plasma donations for the sake of expediting treatment research. The KDCA has played a critical and impressive role, and we want to thank them for their public collaboration with Shincheonji members in Korea to facilitate large-scale plasma donations. We await good news to come soon as the world looks towards the South Korean government and medical community as great examples in protecting their country from this global pandemic and its effects.

In addition, the San Francisco Zion Church would like to thank the United States government for their exemplary work in providing citizens with what they need to combat this disease and its negative effects. We know that we need to come together as a nation and community.

This pandemic has greatly impacted our members and their loved ones, and we are grateful that in this situation, we can look towards our governments for protection and guidance to navigate through these uncertain times.
